

**Lull Mattress Foundation
Leg Kit**

Thank You For Choosing Lull

You did it! Your journey to great sleep begins now. We created Lull for one simple reason — we want people to sleep better so they can live better.

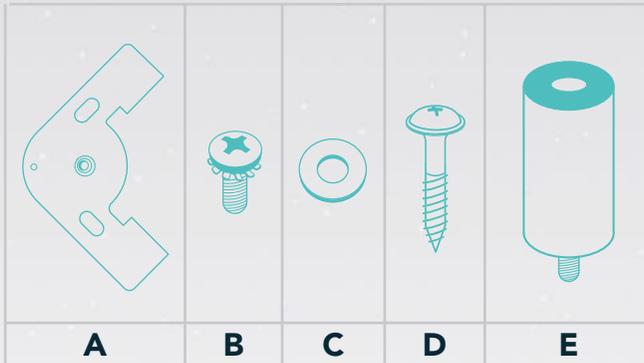

It's time to start getting the restful sleep you deserve so say good night to restless nights and say hello to a better you.

Thanks for trusting Lull with this super important aspect of your life!

Sweet dreams...

The Lull Team

Assembly Instructions

A Leg Plates (x4)

B Bolts (x8)

C Washers (x8)

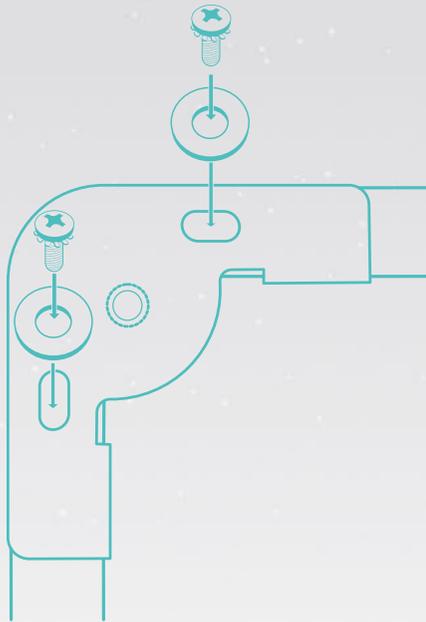

D Wood Screws (x20)

E Foundation Legs

Twin / Twin XL (x4)

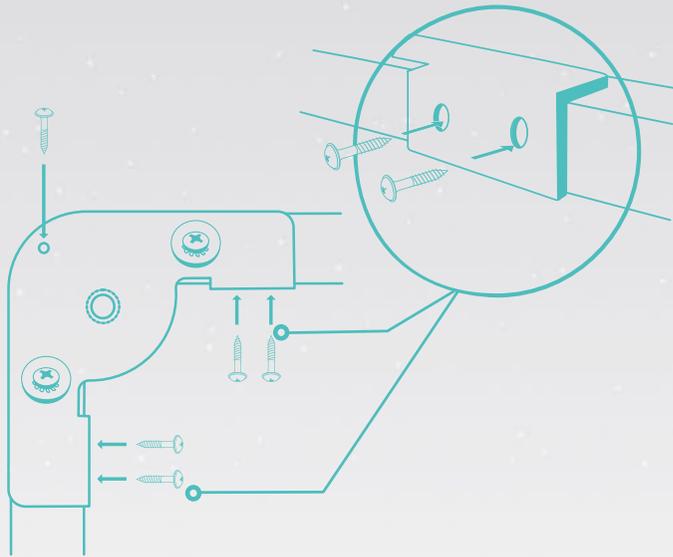

Full / Queen (x5)

King / Cal King (x6)

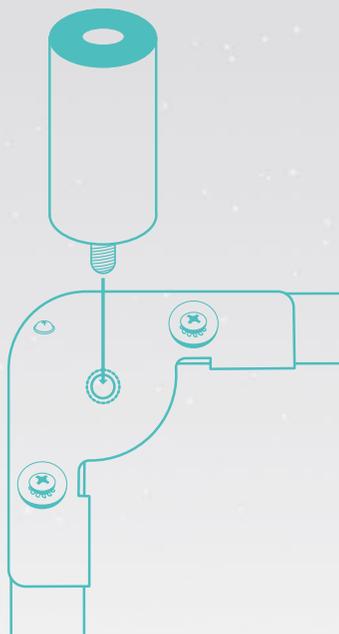

1

On the underside of the foundation, you will see two bolt holes in each corner. Place the leg plate **(A)**, rivet side up, so that the holes align. Insert bolts **(B)** with washers **(C)** and tighten with a screwdriver.

2

Each leg plate (**A**) will be left with 5 additional holes: 1 on the rounded corner and 2 on each raised edge. Insert wood screws (**D**) and tighten with screwdriver.

- 3** Screw the legs (**E**) into each leg plate (**A**) on all four corners of the bed and center of the support rails (if applicable).

Complete Your Dream Bed

Check out our Lull accessories to make your bed cozy, comfy, and seriously luxurious.
